

Yugoslavia, Order of Brotherhood, 2nd class, Type 2 (with 6 Torches), pin back, #466.

Silver gilt, enamels. Scarce version with six torches symbolizing republics in the Yugoslav Federation. Note the extremely low serial number.

In silver gilt and enamels. Measures 45.7 mm in height, 47.3 mm wide; weighs 43.3 g. Fine quality, better than the screw back version. Two hallmarks on the reverse at 12 o'clock position. The pin shows mint mark "ZIN Kovnitsa".

In fine overall condition. There are two small enamel chips: to the flames and to the white band at about 7 O'clock position (the latter is almost unnoticeable). There is a repair to the reverse: the center medallion fell out and was re-soldered so the attachment pin is now oriented horizontally in relation to the obverse.
