

40th Anniversary of Mongolian Border Guard Troops, 1970s.

Aluminum, paint. 29 mm tall. Pin attachment. An interesting feature of this badge is Russian inscription on the reverse "Made in the USSR " (many Mongolian awards were made in the Soviet Union, but show maker marks openly stating that). Issued as an award to Border Guard officers, much as the Soviet Border Guard anniversary badges. Excellent condition.

/Mongolian Orders, Medals & Badges by Dr. A. Battushig, p. 88 fig. E 13/
