

Order of the Red Banner, 4th consecutive award, Type 2 (screw back), SUPERB QUALITY REPRODUCTION.

Exceptionally well-made copy, among the best we have seen (short of being an outright fake intended to sell as original). The details of the wreath and torch are well defined. The enamel is epoxy based but its color, tint and sheen make it an amazingly close match to the original. Convincing-looking reverse is complete with correct number and "mint mark". This top of the line replica is fit to close a "gap" in the advanced collection. Please note, the serial number may differ from the example in our photos.
