

Major General sew-on Dress shoulder boards, c 1970s.

Gold brocade.

6 3/4". Four-sided, gold with red piping, silver bullion stars with red thread outlines. Length tailor modified to fit a non regulation shoulder size.

Very good to excellent condition. If one of the boards is held at an angle, you can see an area where the brocade appears slightly lighter than the area around it.

Item# 21510
