

'Stalin's power will not last! (Publication 509 Gg AN 62).

"In your midst there are honorable and fair people who can rule [your] country. Your place is with us [Germans] and not with Stalin's clique. Hurry before it's too late and join the liberators of your people".

German printed, Russian language surrender pass.

Very good to excellent condition. Printed on typical wartime paper that, while cheap, is not fragile and the printing on both sides is completely legible. We have a few, all have irregular borders.
