

Document for Military Law Academy graduation badge, issued on 30 August 1954 to Justice Sr.

Lieut. Georgiy Storozhenko.

Shows that he finished full course of the academy in August 1942. The badge was back-issued in 1954 as was standard practice for those who had graduated military schools prior to the introduction of the graduation badges in 1950.

In very good condition. Shows very light stains to the cover; foxing to the internal pages is not detracting and adds character. Tiny tears and wrinkles along the edges do not threaten the integrity of the document. Very clean and solid overall, without any excessive wear.
