11 3/8" x 8 1/2", 24 pp. On the front cover: "Will Replace!" Back cover: comics and verses under the heading, "We Shall Remind Them!" - the artwork illustrates past defeats of invaders at the hands of the Russian people and predicts the same fate for the Germans (this was also made into a poster printed in Leningrad). Excellent condition with minimal wear. A good framer could construct a frame for this that would allow the cover to be displayed in a study or collector's room.
