

Badge for 20 Years of Irreproachable Service with the State Forestry, circa 1950s.

Brass, enamels; 40.9 x 24.8 mm. Two piece construction: the wreath with hammer & sickle emblem is a separate, superimposed piece. Extremely well made and attractive piece.

In outstanding, excellent condition. The enamel and details are perfect; the original fire gilt is completely intact. The screw post is full length, approx. 9.5 mm, and includes original maker marked screw plate.

/"Avers 8", p. 126, fig. 642/.
