

Maker Marks of Russian Porcelain, 1744-1917, RR Musina et al, Moscow, Znanie Publishing House, 1995, 79 pp, 8 1/2 " x 11 1/4 " format, Russian, English, German and French text.

More than a simple listing of trademarks, this book provides brief history of all principal porcelain manufacturers in pre- revolutionary Russia. Being in four major European languages, this out of print reference guide is easy to read for almost any collector around the world! Thanks to its concise, easy to pack format it can be absolutely invaluable on the road, especially while travelling abroad. Minor shelf wear to the cover, otherwise in mint condition.
