

M 1986 hat badge of employees of the Ministry for Automobile Transportation of RSFSR.

Aluminum, paint. Maker marked reverse; size 40 x 55 mm. This badge was a part of the uniform of automobile transportation employees of all levels including top management, but it was most usually seen on visor hats of taxi and bus drivers in major cities such as Moscow or Leningrad.

In very good to excellent condition. Shows minor scuffs to paint, otherwise perfect.
