

Medal of Honored Worker of People's Economy of Komi Autonomous Soviet Socialist Republic, circa 1980s.

Brass gilt; medallion measures 28.9 mm in height incl. eyelet, 26.5 mm in width. Raised circular logo of the Moscow Mint to the reverse of the suspension device.

In excellent condition. The raised details are perfect, the gilt finish is intact and bright, with only modest amount of patina that does not detract - no significant blemishes. The ribbon shows age but is nice and sound. Issued by the government of the Republic of Komi, an autonomous republic within RSFSR.
