

Motherhood Medal 1st class, Variation 1, 1940s.

The medal is in silver (medallion), brass and enamels; medallion measures 29.4 mm and weighs 17.4 g not including the suspension. This first version of the medallion features eyelet that is a separate piece soldered to the medal (same as on Variation 1 medals for defense and liberation of cities in WW2).

In excellent condition. The medallion is practically pristine, with perfect details and free of noticeable wear of any kind. The enamel on the suspension shows tiny contact marks only, no chips, flaking or significant scratches.
