

Badge in Commemoration of the 25th Anniversary of Victory over Germany, Shcherbinskiy Factory version, 1970.

Aluminum, paint. Unlike most other versions of the 25th anniversary badge, this piece features a well-defined counter-relief to the reverse of the pendant. The suspension device has a raised logo "ШЗ" of the Shcherbinskiy Factory. This variation of the badge is somewhat less common than others. Excellent condition.

Please note: our photos show an example. If you order, we will select a badge in matching condition and by the same maker from our available inventory.
