Desktop Bas-Relief Portrait of Lenin, 1970 Centenary Anniversary Edition in Hand-Painted Porcelain.

Stands approx. 5 3/4" tall, the base is 2 1/2" x 2". In glazed porcelain, with the image of Lenin painted in solid gilt against a carrot-red background. The base features the dates of the centenary anniversary.

In very good to excellent condition. The gilt has worn off a little on high points of the bas-relief and at the bottom of the gilded frame, probably from contact with hands. However, this wear is not really obtrusive and does not detract much from the quality of the item.

Please note that the medal in our last photo is for size reference only and is not part of the sale.
