

Order of Maternal Glory 1st class, Variation 2, #804800, circa 1980s.

Medallion is in silver gilt and enamels, of riveted two-piece construction (the red star is a separate, superimposed part.) The pendant measures 40.8 mm in height (incl. eyelet), 29.6 mm in width; weighs 21.3 g not including the suspension and connecting link. Overall weight with suspension is 28.3 g. The suspension is in silver-plated brass and enamels. Stamped mint-mark to the reverse of the pendant. Features rotating tool-engraved serial number.

In outstanding, excellent condition. The enamel is perfect throughout, free of even the tiniest flakes or scratches that could be found under a 10x magnification - a very uncommon case! The details of the artwork are likewise perfect and exceptionally crisp. The gold plating on both the suspension and pendant is intact and bright.
