

Award Document for the Medal for Construction of the Baikal-Amur Railroad, issued on 8 June 1984 to Vladimir Sinitsyn (Владимир Павлович Синицын).

The certificate is a standard issue booklet with a rubberized green cover showing the Soviet state emblem and the inscription "Union of Soviet Socialist Republics. Certificate for a Medal 'For the Construction of the Baikal-Amur Railroad'". The internal pages show an image of the medal in color, full name of the award recipient, 8 June 1984 date of the award decree, blue ink stamp of the Presidium of the Supreme Soviet of the USSR that bestowed the award, and the document issue date of 8 June 1970. There is also a facsimile signature of the Secretary of the Presidium of the Supreme Soviet of RSFSR (Russian Soviet Federative Socialist Republic).

The document is in excellent, near mint condition. The binding is sound; both the exterior and internal are immaculately clean.
