Document for the Medal for Development of the Virgin Lands, issued on 29 September 1957 to Aleksandr Braylovskiy (Александр Васильевич Брайловский).

Shows ink stamp of the Executive Committee of the Bystro-Istokskiy District (in the Altai region of Siberia) and facsimile signature of the Committee Chairman. Note the relatively early issue date, within a year after the institution of the medal.

Outstanding, excellent condition. Both the cover and internal pages are clean and crisp, completely free of the usual soiling or any significant wear. The text and ink stamp are completely legible.
