

Army (Land Forces) officer field visor hat, dated 1986.

In olive drab wool blend twill, without piping. Subdued OD hat badge and matching side buttons in plastic. The sweat diamond shows the logo of the Mayak Garment Factory in the town of Knyagino and a 1986 date of manufacture. Marked Size 56 on the liner (US size 7 / Medium). Factory quality control stamp to the underside of the sweat band.

In outstanding, excellent condition. The gabardine exterior is completely free of moth damage or stains. The plastic visor is free of discoloration or scuffing typical for its type and showing only a tiny amount of wear to the brim. The interior is immaculately clean and fresh. There is what looks like the name (not fully legible) of the original owner inscribed in ballpoint pen on the liner.

The hat's shape is similar to much earlier officers' hats or even some field hats from the Imperial era - with a replaced cap badge it would work well for either WW 1 or WW 2 reenactments.
