

Medal for Irreproachable Service in KGB, 3rd class (for 10 years of service).

In brass, 31.0 mm wide. Shows Roman numeral "X" on the obverse, the distinguishing feature of KGB long service medals.

In excellent condition. The raised details are perfect and crisp. The gilt finish is exceptionally well-preserved and bright, shows no blemishes or noticeable wear of any kind. The ribbon is old but immaculately clean.
