

Cavalry Sword Harness, dated 1939.

Standard set for a Soviet cavalry shashka. In quality chocolate brown leather with nickel-plated steel hardware. Maker marked and dated on the back.

Excellent unissued condition. The leather is sound, healthy and pliable, not overly dry. The metal hardware is completely functional and does not show a significant amount of oxidation.

Photo excerpt from the [Red Army Uniforms 1918 -1945 in Color Photographs](#) , by Shalito illustrates method of wear.
