

Medal of Honored Worker of Communications Industry of Belorussian SSR, circa 1970s.

Brass, enamels; the medallion measures 28.6 mm in height incl. eyelet, 25.1 mm in width and weighs 8.1 g; overall weight with suspension is 11.0 g. There is the raised "MMD" logo of the Moscow Mint on the reverse of the suspension device.

Very fine to excellent condition. There is no visible wear and the enamel is perfect. Minor amount of tarnish, mostly along the edge on the reverse, adds character.

Item# 42233
