

Extended Service in the Air Force badge, circa 1950s - 1960s.

In gilded brass, enamels (center and Soviet Air Force flag), and paint (the wings); measures 61 mm wide. Much better quality than the more recent extended service badges. Includes pendant for 1 to 2 years of extended service. Excellent condition.

/See Borisov, "Breast Badges of the Soviet Armed Forces", fig. 378/.
