

Red Army; Civil War in Russia, 1917 - 1922.

Deryabin and Palasios-Fernandes C. 1998. Laminated hard cover, 46 pp. Part of the Russian Language "Soldier" series. Brief overview of early development of uniforms of RKKA and Red Navy. Includes many previously unpublished period photos and fine color illustrations. Excellent reference on this relatively obscure subject. Size 8" x10 1/2".

Item# 11034

\$15.00

An illustration of three Soviet soldiers in 1942 uniforms. The soldier on the left wears a khaki uniform with a red star on the collar and a leather belt with pouches. The soldier in the center wears a brown uniform with a red star on the collar and a leather belt with pouches. The soldier on the right wears a brown uniform with a red star on the collar and a leather belt with pouches. All three are wearing leather boots and holding rifles. The illustration is set against a light background with a dark border.
