

50th Anniversary of the Choibalsan Border Guard Regiment, 1985.

Aluminum, paint. The medallion is about 39 mm wide. Excellent condition.

The Marshal Choibalsan Regiment was reportedly the largest of all Mongolian Border Guard units. The badge was issued only to the servicemen of this single regiment and is therefore rather scarce. Not shown in Dr. Battushig's book.

Item# 16509
