

Medal of Honored Builder of Bashkir Autonomous Soviet Socialist Republic, #5, 1970s-80s.

Note the extremely low, single-digit serial number.

In German silver. Medallion measures 26.0 mm in diameter. The eyelet shows stamped "LMD" mark of Leningrad Mint. Raised oval Leningrad mint mark to the reverse of the suspension device. Note the extremely low serial number "5" stamped on the reverse of the medallion.

In excellent condition; details and finish are completely intact. The ribbon shows age. Issued by the government of Bashkiria, an autonomous Republic within RSFSR as signified by the ribbon having the colors of the state flag of Soviet Russia.

Item# 19940
