

Order of Kutuzov, 3rd cl, Type 1, expertly made REPRODUCTION.

In base medal with attractive silver tone. The badge is 43 mm wide. With extremely well executed details and practically perfect silver finish, this is one of the better made copies we have handled. The 30 x 20 mm suspension device is of correct dimensions and construction, with nicely "faded" red ribbon and "mint marked" screw plate.

Not made to fool the educated collector at close examination, this piece will be good enough to convince about anyone while sitting in a display case! Individually engraved serial number may differ from the example in our photo.
