

Badge of a Winner of the Socialist Competition of 1977.

Aluminum, paint, lacquer; the pendant measures 37 x 32 mm. The uspension is the economy version: to save the expense, the metal "bow" seen on the earlier Shock Worker badges had been reduced to a simple rectangle with a guilloche background. The reverse shows the maker mark of the Factory of Experimental and Souvenir Items in Mytishchi, Moscow Region.

Excellent condition.
