

**Silver Medal of a Magna Cum Laude high school graduate, Ukraine, Type 4, 1986 - early 1990s; in silver-plated brass.**

Measures 40.1 mm in diameter. A curious feature of this version of the Ukrainian graduation medal is that it has a punctuation error: omitted comma in the inscription "For Achievements in Studies Labor and Exemplary Behavior".

Excellent condition.

Item# 22835

**\$25.00**
