

Notarized copy of the diploma and transcript issued on 4 June 1913 to Grigoriy Lyakhov, a graduate of Emperor Alexander II Peterhof High School.

Four pages 9" x 14", in folio format, front and back. This is a handwritten official notarized copy of the diploma and transcript of a straight-A student, son of a Cossack officer and a new graduate of the Emperor Alexander II Peterhof Gymnasium with a gold medal. The document bears the stamp, seal, and signature of the notary public who officialized this copy.

In very good to excellent condition. The outer pages show mild to moderate soiling. Tiny separations are apparent at the crossing of the fold lines. However, the paper is overall quite supple and strong, not brittle. The ink of the notary's stamps and seal is partially blurred but still quite legible. The large format of the document obscures the wear, and presents very well.

Please note that the pen in our photo is for size reference.
