

Medal for 40th Anniversary of the Soviet Armed Forces.

In brass, 32 mm wide. In excellent condition.

The medal was issued in 1958 to army officers on active duty. Note how Lenin portrait is still there and Stalin's portrait had disappeared - just over a year after "Stalin personality cult" denunciation by Khrushchev.

Please note: our photos show an example. If you order, we will select a medal in matching condition from our available inventory.
