

Peasant Fisherman, Polonnoe Artistic Ceramics Factory, 1956-1973, humorous porcelain figurine.

5 1/4" x 2 3/4" x 2" (13 x 7 x 5.4cm). This fellow with his sunglasses and a solitary (albeit quite large) fish in his bucket probably illustrates a popular folk tale of some sort! Excellent condition.

//Fig 69 in "Soviet Porcelain [Volume 3]"/
