

Badge for 10 Years of Irreproachable Service with the State Forestry, circa 1950s.

Brass, enamels. 39.9 x 24.6 mm. Very nicely made piece. In excellent condition: the enamel and details are perfect. Some of the original fire gilt is visible in recessed areas on the reverse. The screw post is full length, approx. 9.5 mm, and although slightly bent, fully functional and sound. Comes with original maker marked screw plate.
