

M 1964 hat badge for Navy officer, Engineer, Medical or Administrative branches, 1970s-80s.

Aluminum, paint; two piece construction. Measures approx. 64 mm x 54 mm on average. In excellent condition. Please note, we have a few pieces in stock some of which may slightly differ in color and size; all however are in the same excellent condition, with fully functional prongs. Our photos show a representative example.
