

Order of Agricultural District Theses Publication 30th Anniversary Commemoration.

Gilded and silver plated brass, enamel; measures 57.5 mm tall, 55.3 mm wide. Two piece construction: the silvered center medallion is a separate superimposed part. In excellent condition.

The decoration was established in 1994 to commemorate the publication of the "Agricultural District Thesis" by Kim Il Sung. This is one of the more scarce DPRK awards of the post- Korean War era, rated 4 out of 5 for rarity by Sessler and McDaniel.
