

Medal for Irreproachable Service in MOOP of Belorussia, 1st class (for 20 years of service), 1962-68.

Brass, silver plating, enamel; 32.0 mm wide. In excellent condition. The enamel and silver finish are perfect. is likewise well preserved with just minimal wear to the raised edge, and has acquired nice dark patina. Includes well- preserved old ribbon.

This is one of the "republican" MOOP (Ministry of Protecting the Public Order) medals, issued when this agency temporarily replaced MVD during the 60s. The Belorussian long service medals are among the more difficult to find in this series, apparently due to a relatively small size of this republic's law enforcement agency.
