"His Majesty Life Guard Cossack Regiment" ,C 2014, by Oleg Kulakov and Mikhail Sarychev with a contribution by the LGKEVP Museum in Courbevoie, France.

Laminated hard cover, 265 pp, 8½" x 11¾" x 1" format, Russian text.

This magnificent coffee table publication is illustrated with a large number of original artifacts and period photos from the collection of the regimental museums in France and Belgium. The book contains a captivating historical narrative of this illustrious Don Cossack unit which encompasses first years of exile following the Russian Civil War. The many superb close-up photos of the uniforms that are included in this book can provide invaluable reference material for the collector of Russian militaria. Highly recommended!
