

Technical School (tekhnikum) graduate badge, 1968 issue.

Gilded aluminum, "hot baked" enamel; 41 x 26 mm. Two-piece construction with separate state emblem. Features Leningrad Mint logo on the reverse. The specific badge has a very uncommon professionally engraved personalization on the reverse: the abbreviated name of the school ■■■■ ("LRPT") which stands for Leningrad Radiopolytechnikum (Leningrad Radio Polytechnical College). There are also engraved individual serial number 1881 and a 1968 year of graduation.

The badge is in excellent condition and includes original screw plate marked "Lenigrad Mint". The screw post is approx. 7.5 mm long, may have been reduced by a couple of mm for convenience but still fully functional.
