

Medal of the IV All-Army Tourist Rally in Commemoration of the 40th Anniversary of Victory over Germany, 1985 issue.

Brass, lacquer, massive piece measuring approx. 78 mm (over 3" in overall height); the medallion is 47.3 mm tall (incl. eyelet), 43.9 mm in width; overall weight with suspension is 50.6 g. A very nice artwork featuring an Order of Victory and fireworks. The reverse of the suspension device shows stylized raised logo ФСС ("FSS") of the Experimental Factory of Sports Souvenirs and Badges in Moscow. A very unusual Armed Forces award in excellent condition.

Please note, penny in our photo is for size reference.
