

Temporary Photo ID, issued on 13 December 1946 to Major Georgiy Dsuliashvili by the Directorate of the Correctional Labor Camps and Colonies of the MVD of Georgian SSR.

The ID is single-page format, 14.5 x 8.5 cm. States that Duliashvili served as Commander of the 6th Platoon of the VOKhR Camp Guard Unit. The document is marked valid until 1 March 1947. The photo shows Dzuliashvili wearing WW2 decorations including a Medal for Victory over Germany, Medal for the Defense of Caucasus and two Orders of the Red Star.

The document is in very good condition. There is minor wear to the edges not affecting the text. The document has been stored folded in two, but it remains completely sound, has not separated along the fold. All the hand-written entries are completely legible.

This very unusual single-page document was to be used in lieu of a regular, booklet type ID until the latter could be printed and issued - likely because the recent, 1946 change in the name of the agency from NKVD to MVD made all previous documents obsolete.
