

Riga Order of the Red Banner Institute of Civil Aviation Engineers (RKIIGA), graduate badge, Type 3, circa 1980s.

Brass, nickel plating, enamels; 50.8 x 26.1 mm. Four-piece construction: the airplane, Aeroflot emblem and the plaque with abbreviated name of the school "RKIIGA" are separate, superimposed parts.

In excellent condition. The enamel and paint in the lettering are perfect; the nickel finish is completely intact. The screw post is of full length and includes original screw plate maker marked "Darbs Met".
