

Medal of a Participant of the All-Union Agricultural Exhibition (VSKhV), variation with pinback suspension, 1954-55 issue.

Both the medallion and suspension device are in solid brass. The medallion measures 26.1 mm wide. Early version of the artwork featuring an "X" on the radiator grille of the tractor on both sides of the medal.

In very fine to excellent condition. The details are perfectly preserved and crisp. There are a few tiny contact marks and oxidation spots, mostly on the reverse, but no significant wear or tarnish; the gold finish is very bright. Includes original suspension device, complete with fully functional pin attachment and clean old ribbon.

/"Avers 2", fig. 1186/.
