

Medal for Irreproachable Service in MVD of RSFSR, 2nd cl (for 15 Years of service), 1960-1962.

Brass gilt, silver plating; 32.1 mm wide.

Excellent condition. The gold and silver finishes are beautifully preserved showing only negligible amount of wear. Comes with well-preserved old ribbon.

This medal is one of the few MVD long service awards specific to a republic, issued for a short time in the early 60s when each republic in the Soviet Union had its own "independent" MVD. Only 5 republics including RSFSR actually issued the "republican" MVD medals although all 15 had their own MOOP medals after that, in 1962-66.
