

Medal for 30th Anniversary of the Soviet Army and Navy, 1948.

In brass, 32.2 mm wide. Features portraits of Stalin and Lenin.

In outstanding, excellent condition. The details are perfect and crisp, free of noticeable wear. The "gilt" finish (mint luster) is extremely well-preserved and bright, with only the tiniest amount of tarnish that does not detract, no significant blemishes. Comes on original brass suspension. The old, probably original ribbon is beautifully preserved and clean.
