

Badge in Commemoration of the 50th Anniversary of Military Tribunals, circa 1968.

Brass, paint, lacquer. Measures 44.2 x 28.6 mm. This version is of much nicer quality than the regular issues in aluminum. The brass badges were reportedly awarded to VIP veterans of military prosecution.

In excellent condition. The paint, gilt and lacquer finish are perfect. The screw post is original and full length, over 11 mm (the solder around the screw post base is typical for this particular badge, not a result of repair). Includes original screw plate with Leningrad Mint logo.
