

Cigarette Case with Soviet National Emblem and Flag, 1948- 1955.

In brass with silver-plated exterior and chromed interior, 4.2" x 3.5" x 0.6". Very attractive artwork featuring Soviet national emblem of 1948-55 type (with 16 scrolls of ribbon representing the number of republics in the USSR) in high 3-d profile, Soviet flag with nice ripple effect, and florals.

The cigarette case is in very good condition. The front panel with the artwork is perfect; the silver plating is beautifully preserved throughout. There are some mild dents to the back that are not too detractive. The cabochon stone in the closure button is worn and shows fractures but is still sound; the button functions smoothly, and the hinge is intact. The chrome plating on the interior is nicely preserved, shows only a few minor scratches.
