

Badge in Commemoration of the 50th Anniversary of Border Guard Troops, 1968.

In German silver with oxidized silver finish; 21.6 mm tall x 20.5 mm wide. In excellent condition. The obverse is perfect. The attachment pin is somewhat misshapen from wear but remains intact and fully functional.

The badge believed to have been issued by the Transcaucasian Border Guard District (note the mountains depicted on it.) A relatively scarce award.

Please note, penny in our photo is for size reference.
