

Parachute Jump Badge, Armed Forces, 1955 type, 1955 - 1968 issue.

Brass, enamels; 47.5 mm x 21.9 mm. Single-piece model without the pendant for additional jumps.

In very fine to excellent condition. There are a couple of minor hairlines to the white enamel on the parachute canopy that are not threatening the integrity of enamel. The red star has a tiny fracture in the center which is unnoticeable without magnification. The enamel is perfect otherwise. The details of the paratrooper and airplane are perfect and crisp; the original gilt finish is nicely preserved and bright on both sides of the badge. The screw post is full length, nearly 11 mm measured from its base, and comes with original Pobeda Factory screw plate.
