

Badge of an Excellent Health Care Provider, Type 3, #19272, late 1940s.

Silver-plated and gilded brass, enamels; 36.4 mm x 31.9 mm. Single-piece construction. Engraved serial number to the reverse.

In outstanding, excellent condition. The enamel is essentially perfect and shows beautiful luster; there are only a couple of microscopic contact invisible to the naked eye. Much of the original gold plating on the hammer and sickle is still present, although partly overtaken by silver patina. Beautifully toned patina to the reverse. The screw post is full length, approx. 10.5 mm, and includes original mint-marked screw plate.
