Badges of the Soviet Armed Forces, 1918 - 1991, V Borisov, 1994, Saint Petersburg.

Russian text (English chapter summaries), 6 7/8" x 9 1/2" x 1/2" format; laminated hard cover, 162 pages of text plus 44 pages of color photographs.

Long out of print, this book remains to this day the most complete and reliable reference on the subject ever published. Covers award, campaign, graduation, military sportsmanship, qualification, rank, and branch of service insignia and badges. Based on original decrees and official mint records.

A brand-new copy in unused, near mint condition. Shows practically none of the usual shelf wear to the laminated finish of the cover; the internal pages and text block are immaculately clean and fresh. There are no corner bumps.
