

Badge for Combat Minesweeping, circa mid 1970s - early 80s issue.

Aluminum, paint; medallion measures 43.5 x 34.3 mm. This is a relatively early version of the badge featuring triangular shaped bottom of the suspension device and decorative pattern on the reverse. There is a star-shaped logo of the Pobeda Factory on the reverse of the suspension. In excellent condition.

/Borisov, Badges of the Armed Forces, fig. 125/.

Item# 38580
